Attn: Mrs. Salpi Der Ghazarian

Dear Mrs. Salpi Der Ghazarian,

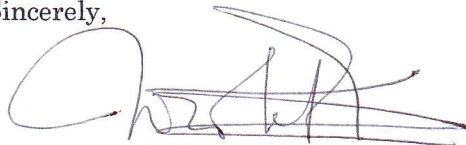

On behalf of the Executive Board of the YerazArt Foundation, I would like to express my sincere gratitude to you and to the Armenian General Benevolent Union in Ontario, for organizing and sponsoring our YerazArt Young Musicians From Armenia concert in Scarborough.

By hosting a YerazArt concert, you have helped promote our rich musical heritage, all the while supporting some of our brightest talents. As you know, these young artists greatly need international exposure and experience as part of their musical training and professional growth.

We hope you enjoyed the performance, that your interaction with our YerazArt representatives Mr. Apo Ashjian and Mr. Arman Padaryan was productive, and that your overall experience with YerazArt was a fulfilling one. We also value your opinion and would appreciate any feedback or suggestions you may have for our future events.

We look forward to working together again with your institution in the future, so that more young musicians from Armenia are given the opportunity to shine and inspire us with their talent.

Sincerely,

Nicole Babikian Hajjar
